13th September 2021

Dear Parents, Staff, Local Community Partners and other Stakeholders

Student Admission Consultation

I am writing to you as part of a student admission consultation at Ace Tiverton, part of Transforming Futures Trust. We are consulting on our proposal to increase the number of students on our school roll. Currently, we have 70 students on roll and, following a request from Devon County Council to take on more students, intend to increase this number to 100.

We are consulting with staff, parents, local community partners and other stakeholders to determine whether the Trust should proceed with this increase in number on roll and we would like to invite your views on the matter. Further information is enclosed in the Consultation Document.

How to take part in the consultation process

At this stage we are not committing the School to increase their number on roll. We are consulting with everyone associated with our School before Trustees meet again to make a final decision.

There will be an open meeting for you to come and raise any queries you may have or make comments about this at 16:00 on 28th September and at 19:00 on 6th October at ACE Tiverton School, Orchard Way, Tiverton EX16 5HB.

There will also be two virtual meetings held via MS Teams at 17:00 on 30th September and at 15:00 on 5th October. If you are unable to make any of these meetings but would like to ask any questions or make any comments please email: TivertonConsultation@transformingfutures.org.uk.

The consultation will close on 25th October 2021 and so please provide any feedback before then. The Trustees will meet after this date to consider how to proceed.

Yours sincerely,

Hannah Smart
Headteacher
